

Aromatic coffee for true bon vivants

Aroma Diamond vacuum jugs: never before has Easter been so aromatic

Coffee is Germany's favourite drink, and it is never more popular than it is on holidays.* That's why freshly brewed hot coffee with its wonderful aroma has come to form an integral component of any Easter holiday.

Served in style in the beautifully formed, high-quality vacuum jugs from Emsa, coffee not only cuts a fine figure on the table at Easter time, but the Aroma Diamond liner also locks in the aroma for a remarkably long time to keep it tasting and smelling freshly prepared. The diamond liner can keep beverages warm for up to 12 hours, exceeding standards by up to 20 percent. As a sign of this exclusive quality, Emsa is doubling its guarantee on all vacuum jugs with Aroma Diamond to 10 years.

Emsa offers an appealing selection in five vacuum jug lines, with beautiful designs, high-quality materials and numerous colours and sizes available to choose from. So now every coffee lover is sure to find their own favourite model for their coffee table.

The Aroma Diamond® is available in the vacuum jugs from the Auberge, Bell, Cone, Cascaja and Plaza series:
