

Baking Fun in Pastel Shades

Fresh colours for your home bakery

Emsa makes baking twice as much fun with this smart collection of baking accessories in soft pastel shades. And not only do the Superline mixing bowls and jugs look particularly lovely in their delicate hues of rosé, mint and lilac, but the non-slip bottom also provides a stable hold when preparing sweet and savoury treats. Cakes, cupcakes, cake pops and small snacks are securely transported, safely stored and served in style in the myBakery Collapsible Partybutler. The decorative Classic trays provide the perfect helping hand for serving treats from your home bakery. And in the unlikely event that they aren't all polished off, leftovers will stay fresh for a remarkably long time in the Clip & Close food storage containers thanks to their freshness seal.
