

## A touch of sophisticated glamour for the festive spread

### Creating a holiday mood in stainless steel & red and white

It's that time of year again: the holidays at the end of the year are a time full of atmosphere as we while away the hours around the dining table in the company of friends and family. Socialising and indulgence are always key. And whether you go for the elegant stainless steel option or the classic red and white version, the Emsa tableware products are sure to add an extra touch of festive flair and make those happy gatherings twice as enjoyable!

### Product ideas for the tabletop at a glance:

#### *Stylish and elegant*

With their classically sophisticated designs, these Emsa products are sure to set your table top all aglow with festive splendour:
