

## Real favourites: Something cool for those hot summer days!

Summer means sun and outdoor fun! The first warm rays of sun mark the beginning of the outdoor season. It's the perfect time to drag your garden furniture, decorations and seasonal accessories out of hibernation and get them ready to be used again. Even in this country the temperatures can soon rise, so cool refreshments are an absolute must for those hot summer days! In keeping with the motto "the coolest of the cool", our carafes, ice cube boxes & co. are designed to help you keep a cool head and really enjoy the moment! Perhaps you'll even find a new favourite product?

### The unique taste of summer!

In need of refreshment? The Emsa Flow products make chilled drinks cooler than ever before. The integrated cooling elements in our [carafes](#) keep drinks like water, juice, ice tea or wine reliably chilled – without watering them down one little bit. The [Flow Slim bottle cooler](#) is on hand to keep whole bottles chilled, allowing you to indulge in even more delicious freshness. And if that's not cool enough for you, why not keep your ice cubes within close reach on the table in the stylish [Flow ice bucket](#)? A handy little extra: high-quality stainless steel ice cube tongs are also included and can be attached to the lid.

- **Flow Classic cooling carafe**, material: Glass/stainless steel, 1 l (33.82 fl. oz.)
- **Flow bottle cooler** with cooling element for extra cooling performance
- **Flow ice bucket** including practical ice tongs

### The ice is cast

Ever tried a Hugo, a gin and tonic or a fruit juice spritzer lukewarm? No? Better that way! All drinks are best served ice-cold in summer, so ice cubes are an absolute must. With the ingenious [Clip & Close ice cube box](#), perfectly formed ice cubes are right at your fingertips. So, how does it work? Thanks to the flexible base, you can press the individual frozen

cubes out of the tray with real ease. Tip: simply freeze the ice cubes with some colourful pieces of fruit or small peppermint leaves. That way, they'll look fantastic in the glass!

- **Clip & Close ice cube box**, colour: transparent/blue; dimensions (l x w x h): 22.6 x 16.5 x 4.6 cm (8.9 x 6.5 x 1.7 in.)

### Salad's served...

... deliciously chilled on the barbecue buffet! Whether you add feta and fresh strawberries, garnish it with green herbs or go for a classic pasta salad, your imagination and the possibilities for flavours know no bounds. Perfect for hot temperatures: thanks to the integrated ice pack in the lid of the [Accenta bowl](#), all kinds of salads – or even sweets such as fruit quark – stay fresh and crisp for up to four hours!

- **Accenta salad bowl with lid**, colour: stainless steel/black, 1.2 l (40.59 fl. oz.)
- **Accenta salad bowl with lid and ice pack**, colour: stainless steel/black, 5 l (169.12 fl. oz.)

### **Cold - or perhaps you'd prefer it hot?**

If you can't make up your mind, simply have it both ways! With the [Travel Cup](#) from Emsa, you and your home-made cup of coffee are good to go, as this thermo mug fits perfectly in standard coffee pad and fully automatic coffee machines. But at the same time, it's also perfect for cool ice tea or even a whole portion of ice cream. Its stainless steel core provides outstanding insulation, so you can enjoy delicious hot and cold drinks wherever you are!

- **Travel Cup**, colours: lime, raspberry, aquamarine, black 0.2 l (6.76 fl. oz.)
